The December meeting was a holiday gathering with some brief announcements of interest to the group. The party was held at the Lake Glen Clubhouse. Holly Van Valkenburgh lives in the development and secured the venue for us. The food was provided by our members. There were 22 members and nine spouses in attendance.

President Punches welcomed everyone to the holiday gathering. She shared a bit of sad news by announcing that Dorothy Ramsdell had passed away on December 8. Dorothy had graciously hosted several Membership brunches at her Washoe Valley home. Her kindness and enthusiasm will be missed. A moment of silence was observed in Dorothy's memory.

Shirley Hammon reported on the status of our pecan sale, which is one of our primary scholarship/fellowship fundraisers. Shirley indicated we still have some left for sale. One box of dark chocolate pecans was damaged on route to Nevada and the company provided a replacement at no cost to us.

Mary Castro Wilson, Membership Chair, wished everyone in attendance a Merry Christmas. Flo Bedrosian discussed the upcoming Feast of Chocolate fundraiser and handed out flyers for the event so that members can spread the word and help sell tickets.

Respectfully Submitted,
JoAnn Carpenter
